*To Whom it may concern,*

*I am writing this in support of Don Alder.*

*Don performed at our music festival in August 2007, and was incredible!*

*Don definitely lived up to his WOW factor. His musicianship and skill as a performer is incredible and nearly unbelievable!*

*Whether performing to our main stage crowd Friday night, filling our workshop tent to over capacity, or coming to perform for an intimate crowd at our community hall, Don puts his heart and soul into every performance.*

*Don is one of a kind in his passion, his fierceness, and his finger styling techniques. He has to be seen to be believed, and even then, you are not sure you just saw what you thought you saw! Don's uniqueness as a performer lies not only in his incredible talent, but also in his generous and humble spirit.*

*I would not hesitate to book him again, and highly recommend Don Alder for any musical event.*

*Sincerely,*

*Shara Gustafson, Artistic Director*
