To Whom It May Concern,

It was our pleasure to have Don Alder perform live on our stage June 27, 2014.

And what a performance! From the very first note from one of his many guitars, Don kept all in attendance not only entertained but mesmerized!

As an organizer of the event, it was wonderful to watch the crowd's response to Don's mastery of the guitar. One had the sense of witnessing something very special-up close!

In addition, Don was a pleasure to deal with before and after the show- a true guitar pickin' gentleman!

Book Don Alder and enjoy the show!
