To whom it may concern,

We recently had Don Alder perform at our 15th annual Bella Coola Music Festival. We are a small, volunteer-run rural festival held in the remote and beautiful Central Coast community of Bella Coola, BC.

Not only was Don a delight to work with, his performance was absolutely astounding. Don's unique talent and musical style is a guaranteed crowd pleaser. Don's performances left the audience thirsty for more.

It was an absolute pleasure having Don perform at our Festival. We would love to have him return in the future.

Sincerely,

Caitlin Thompson

Artistic/Executive Director
