

Harmony *Arts* Festival

Re. Don Alder

To Whom it may concern,

I have been coordinating the entertainment at the Harmony Arts Festival for over 10 years and it gives me great pleasure in booking the best talents that BC has to offer.

Throughout the years Don Alder has performed at the Festival countless times and always delivers an amazing performance. The audience delights in the passion of his playing and in sharing the gift of this world-class guitarist.

This year, once again, Don's set was very well received and he continues to be professional and easy to work with. Don's name was in the media a lot this year and I am happy to see that he is finally getting the kudos he deserves. I would highly recommend Don for any Festival or event and look forward to working with him again in the future.
